 No. 88815
IN THE MATTER OF COUNTY ENGINEER'S OFFICE OF THE COUNTY OF LOS ANGELES FOR THE IMPROVEMENT OF THE 228TH STREET
AND OTHER RIGHTS OF WAY
 Notice is hereby given that the Board of Supervisors of the County of Los Angeles, California, has adopted the Resolution of Intention adopted by the Board on the 17th day of February, 1959 and the plans and specifications therefor which are filed in the aforementioned office of said Board.
 Said proposals for bids, will be received by the County Clerk, Ex-Officio Clerk of the Board of Supervisors at the Public Counter, Room 500, Los Angeles County Engineering Building, 108 West 2nd Street, Los Angeles 12, California, until 9:00 a.m. on Friday the 5th day of June, 1959, and will be opened and read and declared by the County Engineer at 9:15 a.m. on the same day in the County Engineer Hearing Room, Room 101 in said Los Angeles County Engineering Building.
 The proceedings for the aforesaid improvement are authorized in accordance with an Act of the Legislature of the State of California known and designated as Division 7 of the Streets and Highways Code (Commencement Act of 1911) and the bonds to be issued to pay the costs and expenses therefor are provided in said Resolution of Intention will also be issued in accordance with the provisions of said Act.
 Proposals must be submitted on the forms prepared and furnished for the purpose and which may be obtained at the Office of the County Engineer, Room 103, of said Los Angeles County Engineering Building. At said office bidders may also obtain copies of the plans, profiles and specifications for the improvement upon deposit of \$5.00 per set, such deposit to be refunded if the plans, profiles and specifications so obtained are returned in good condition to said office on or before the day of the opening of bids.
 Plans and specifications are available for inspection only and may be ordered at the following County Engineer's Regional Offices:
 Los Cerritos Regional Office, 807 East Flower Avenue, Cerritos, California.
 San Gabriel Valley Regional Office, 5908 North Kaufman Avenue, Temple City, California.
 San Dimas Regional Office, 201 East Bonita Avenue, San Dimas, California.
 Each submitted proposal must be accompanied by a check certified by a responsible bank, or by a bond, payable to the County of Los Angeles in a sum equivalent to at least ten (10) per cent of the total aggregate amount of the bid, as a guarantee that the bidder, if awarded the contract, will enter into and execute the awarded contract in accordance with the terms and conditions of the specifications. In the event that a bond is submitted, it shall be signed by the bidder and a duly authorized corporate surety acceptable to the Board of Supervisors.
PREVAILING WAGE SCALE:
 Pursuant to the provisions of the Labor Code of the State of California, the County Board of Supervisors has ascertained the prevailing rate of per diem wages in dollars, based on a working day of eight hours, for each craft or type of workman or mechanic needed to execute the proposed contract under these specifications; and it will be required that not less than said rates be paid to such workman or mechanic employed or engaged upon the work specified in the specifications, as provided for painter classifications, the rates of per diem wages for each shall be the lesser of the rates specified in the specifications or the rates of per diem wages ascertained by the Board of Supervisors. It is understood that in the event that workmen are employed less than eight hours per day, the per diem wages shall be deemed to be that fraction of the per diem wages herein established that the number of hours of employment bears to eight hours.
Penalty: Any contractor shall, as a penalty to the State or political subdivision whose behalf the contract is made or awarded, forfeit ten dollars for each calendar day, beginning with the day for each workman paid less than the stipulated prevailing rates for any public work done under the contract by him or by any subcontractor under him, and the body awarding the contract shall cause to be inserted in the contract a stipulation to this effect:
 "Provided that overtime rates, rate of pay for Saturdays, Sundays and holidays shall apply to those holidays as recognized in the collective bargaining agreements applicable to the particular craft, classification or type of workman employed on the project."
 Provided that notwithstanding the general provision herein, the Board of Supervisors and Watchmen shall be paid one and one-half times the prevailing rate for overtime overtime shall be time worked in excess of eight hours per day or forty hours per week, and the straight prevailing rate for time worked on Saturdays, Sundays, and where such time does not constitute overtime.
APPRENTICES—May be employed in conformity with Section 1777.5 of the California Labor Code.
WELDERS—Same wage scale as that to which welding is incidental.
